

Fit for Mission (FfM) Update

Deanery of Toxteth & Wavertree

September 2024 (Issue 6)

Register for Cultivate

DESIGN

Beginning on Tuesday 8th October - 19th November, we invite you to participate in Cultivate, a lay discipleship and leadership programme, to increase our ability to share and show our faith. We will host a day time event (10-12:00 pm) at Holy Trinity Parish Hall and an evening event (7:00-9:00pm) at St Michael in the City. You can sign-up at your local parish or [here online](#).

In Cultivate, we help you to believe in yourself, identify your missional call, to take your call and vision and bring it into reality, and to grow your leadership. We seek to help you lead a new worship community, or join an existing one, or grow in your missional discipleship. We aim to do this through training, mentoring, and prayer, and with the help of your peers, your clergy leaders, and experienced planters.

Prayer Team— Would you like to get involved in helping us pray for our One New Parish; consider a role on our prayer team. For more information and a discussion contact— clayton.rowe@liverpool.anglican.org.

In the New Year, Tuesday 14th January—18th February, we will have a special focus on justice with a series of workshops with Together Liverpool. More information to come.

Mission Workshop Update

On Sunday, September 8th, 35 people from across the Deanery of Toxteth and Wavertree gathered for a Mission Workshop led by Kate Eaglestone as part of our Fit for Mission initiative. The event, which followed morning services, was marked by a positive spirit of collaboration. Clergy and lay representatives engaged in discussions on how our churches can work together to introduce people to Jesus, deepen discipleship, develop leaders, and promote social justice. The congregation of St. Bridget warmly welcomed us with generous hospitality. In the coming weeks, the Navigation and Growth Teams will review the discussions and submit recommendations for further discovery and planning.

Change Team— Would you like to get involved in helping us plan our One New Parish; consider a role on a change team. For more information and a discussion contact— clayton.rowe@liverpool.anglican.org.

SEPTEMBER Goals

- Hold our Mission Workshop
- Publicise and recruit for Cultivate
- Launch Change Teams

Parishes on the Fit for Mission Journey
